The Robar REVIVE! Program - Glock Upgrade Packages

Extend the service life of your standard size Glock® pistol or simply upgrade to the advantage of alloy - either way Robar gives your Glock® a new edge. We combine the rigidity and weight of a precision alloy frame with the efficiency and reliability of a Glock®'s striker-fired, dual-safety design to rejuvenate and enhance your existing pistol. **Suitable for Glock® Model 17, 17L, 22, 24, 31, 34, 35 or 37 ONLY!**

The REVIVE! Program is available in four levels, scaled up from a basic frame swap out and refinishing package through to a complete re-build including a match grade barrel and detail finishing of the frame, allowing you to chose the level of upgrade you need. We use all of your existing internal parts, your barrel, slide and sights, swapping out only the frame. Furthermore, you keep your original polymer Glock® frame, allowing you to restore your pistol to its original condition at any time if desired. All work is expertly performed by professional gunsmiths with inspections carried out at each stage. Each pistol is fully function checked and test fired before final finishing in our premium coatings.

Level 1	Replacement alloy frame in aluminum or stainless steel Complete swap out of all parts from your existing polymer frame Complete inspection, function check and test fire Complete metal finish in your choice of NP3, Roguard and/or Polymax coatings Package Price	\$649.00
Level 2	Level 1 Program plus: Cut forward cocking serrations in slide Supply and install XS 24/7 Tritium night sight set Package Price	\$849.00
Level 3	Level 2 Program plus: Supply & install match grade barrel Custom tuned & smoothed trigger with 3.5 lbs. connector Package Price	\$1,149.00
Level 4	Level 3 Program plus: Complete detail finish of frame including rounding out triggerguard, rounding off the beaver tail, smoothing magwell, sculpting trigger finger relief, sculpting triggerguard at frontstrap (high grip), and removing all casting and machining marks, includes 1911-style straight backstrap insert Package Price	\$1,449.00

NOTE: Packages are built on a Glock® pistol YOU supply - the above prices DO NOT INCLUDE the base Glock® Pistol!

High Performance Slides

4140 Chrome-Moly alloy steel hardened & normalized for durability & dimensional stability; machined from bar-stock in CNC machining centers, with the breach face being wire EDM machined for precise dimensional control. Slides supplied without finish (in-the-white) can rust so some form of metal finishing is highly recommended. Slides are available in standard (Professional) length and extended competition (Competitor) length, unfinished (in-the-white) or metal finished in either NP3 or Roguard. Includes angled front and rear cocking serrations, top serrations, bull-nose bevelled front edge, standard Glock® sight cuts and Robar logo. No internal parts. Apart from original factory Glock® slides, these are the only slides recommended for use with CCF frames.

Terms & Conditions of Sale

ORDER: The Agency, Company, Corporation, Individual or Other as listed under Sold To on the Order Confirmation and/or Invoice document herein after referred to as the BUYER, hereby orders from THE ROBAR COMPANIES, INC., herein referred to as the SELLER, the product(s) and/or service(s) listed on the Order Confirmation and/or Invoice document.

THE ROBAR COMPANIES, INC. warrants the workmanship on all repairs and/or modifications. However, ROBAR expressly disclaims responsibility for manufacturers' defects or owner mishandling and/or any use of the repaired/modified items. The Robar Companies, Inc. warranty is voided by the BUYER's use of any ammunition in the said item, other than factory ammunition. This warranty expires thirty (30) days from the date the BUYER takes possession of the said firearm.

By delivering the described item(s) listed on the Order Confirmation document, the BUYER is authorizing The Robar Companies, Inc., its agents and/or employees to perform the work described, the said work to include the purchase of necessary materials, and the operation of the described item(s) for the purpose of testing and/or inspection. The BUYER understands that The Robar Companies, Inc. does not accept any risk and cannot be held responsible for damage from such repair and/or service provided, inspection and testing. Further, by delivering the described item(s) to The Robar Companies, Inc., the BUYER agrees to compensate The Robar Companies, Inc. for the cost of said repairs and/or services, to a lien on the described item(s) in case of fire, theft or any other cause beyond the direct control of The Robar Companies, Inc.

The Robar Companies, Inc. requires a non-refundable deposit for all custom firearm manufacturing services performed by ROBAR. This non-refundable deposit represents Robar's time to satisfy obligations created by Federal and State laws and regulations when transporting or storing firearms. This non-refundable deposit shall be fifty percent (50%) of the total deposit required before any work will commence.

The Robar Companies, Inc. will gladly perform additional repair and/or modifications work to the Buyer's firearm. However, any additional work, beyond that work quoted in the original Order Confirmation, must be received in writing and will require Robar add an additional charge to the original work order for the additional work requested.

PURCHASE PRICE: The BUYER agrees to pay the balance of the total purchase price as specified on the Order Confirmation. In addition, the BUYER agrees to pay any sales tax or other tax(es) imposed by such purchase price (e.g., sales, use gross, receipt or FET (Federal Excise Tax) as imposed by ATF Regulations), and will pay any shipping, insurance and handling costs.

PAYMENT: The BUYER understands that payment for product(s), repair(s) and/or service(s) are payable in accordance with the terms stated on the Order Confirmation document. All unpaid amounts accrue interest at the rate of 18% per annum, or at the highest rate allowable by law, whichever is less. Payment or accrual of interest does not defer the payment of an outstanding invoice, or other liability, or extend time for payment of any outstanding invoice, or other liability, nor extend time for payment of any outstanding credit obligation. Interest, when accrued, is added to the total unpaid principal, and is itself subject to any interest charges if not paid prior to the next statement cycle. In the event of any delinquency on the indebtedness as evidenced by this document, the BUYER shall be additionally indebted to the SELLER for the collection costs, attorney fees and/or court costs incurred as a result. **ALL FIREARM PURCHASES ARE FINAL.**

INSPECTION: The BUYER shall inspect product(s) upon delivery and notify the SELLER immediately of any discrepancy in the order. The BUYER must notify the SELLER in writing within two (2) days of any discrepancies; or it shall be conclusively presumed the BUYER and SELLER that the product(s) were delivered in new and saleable condition and in the correct quantity and type(s), and that the BUYER accepts the products as delivered. If obvious damage to the shipping container is apparent at delivery, the BUYER is responsible for notifying the shipping carrier and make any and such claim for damages with the carrier, and the SELLER shall have no responsibility therefor.

RESALE: If the BUYER is a business to resell the SELLER's product(s), then no product(s) purchased from the SELLER and resold by the BUYER shall be repackaged, put-up or marketed in packaging other than that in which the product(s) are supplied to the SELLER.

ENTIRE AGREEMENT: This entire agreement shall be construed and interpreted in accordance with the laws of the State of Arizona. This agreement may be modified and rescinded only by a written instrument signed by both parties hereto or their duly authorized agents. Waiver by the SELLER of any provision hereof in one instance shall not constitute a waiver as to any other instance.

WARNING: Firearms are dangerous instrumentalities. The improper, negligent or careless use, handling or storage of firearms and/or ammunition will cause personal injury or death. The Robar Companies, Inc. will not accept responsibility for any injury or death resulting from the improper, negligent or careless use, handling or storage of any firearm or selection of ammunition for use in the firearm returned by The Robar Companies, Inc. to the BUYER or owner.

YOU WILL CAUSE INJURY OR DEATH BY FAILING TO ADHERE TO THESE SAFETY RULES

- 1. ALL GUNS ARE ALWAYS LOADED.**
- 2. NEVER POINT A GUN AT ANYTHING YOU ARE NOT WILLING TO DESTROY.**
- 3. KEEP YOUR FINGER OFF THE TRIGGER UNTIL YOUR SIGHTS ARE ON THE TARGET.**
- 4. BE SURE OF YOUR TARGET AND WHAT IS BEYOND.**

ALWAYS FOLLOW THESE SAFETY RULES - REMEMBER - FIREARM SAFETY IS YOUR RESPONSIBILITY
